Application

Supermarkets
up to 2,500 m²

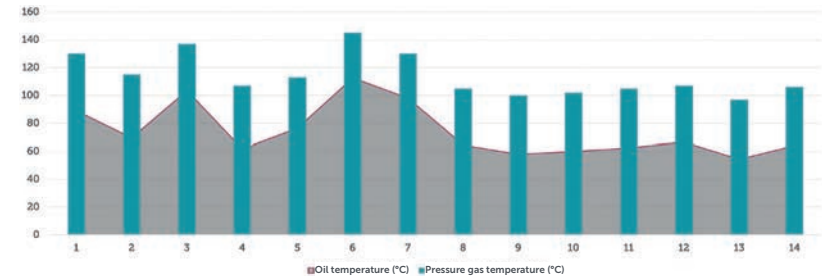

MT cabinets
open: up to 100 m
closed: up to 200 m

LT shelf / island
up to 25 m
LT cold rooms

Advantage

Details

- Improvement of plant stability
- Increased operational safety
- Increased service life for reciprocating compressors (MT)
- Additionally replaces the air-cooled de-superheater for compressed gas LT
- Patent pending (since 12/2021)

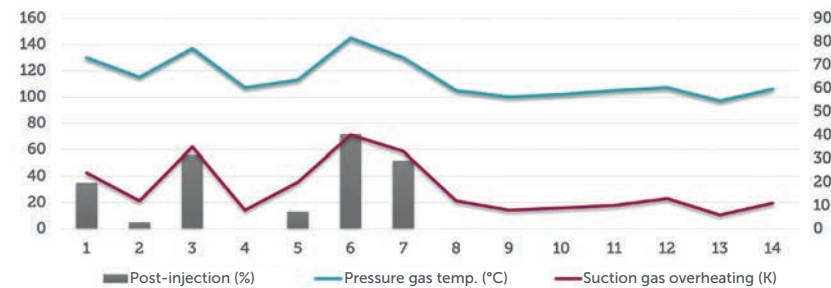

Technology

Features

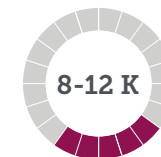

- Optimally conditioned suction gas at the intake manifold of the MT compressor
- No additional controls required

Components

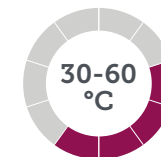

- Specially developed heat exchanger
- In combination with an intelligent control system

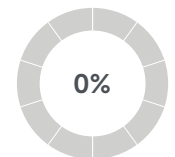

Efficiency

Suction gas overheating

Oil temperature

Post-injection
